

## **Bird Walk**

**Saturday, April 29 – 9:30 a.m.**

**Wolf Run Park**

**17621 Yauger Rd. Mount Vernon 43050**

Join Volunteers Carol Detmer and Kathy Noblet for the first Bird Walk of 2023. What a great way to start your morning by enjoying the sights and sounds of spring. Wolf Run Park with its diverse ecosystems is the perfect place to look and listen for year-round nesters as well as ones just passing through on their way to northern breeding grounds. Warblers, vireos, possibly scarlet tanagers, Baltimore orioles, red-breasted grosbeaks, indigo buntings and more may be encountered on the walk. Dress for the weather conditions and sturdy walking shoes are recommended.
