

Nature Program

Let's Be Outside!

Saturday, June 3 – 10-11:30 a.m.

Wolf Run Park

17621 Yauger Rd. Mount Vernon 43050

Join Volunteers Janet Chandler and Miriam Dean-Otting to take a family-friendly walk in the woods to open up all your senses! We plan to hone our observation skills on the walk while we identify scents, sights, sounds and the “feel” of the forest. There are always surprises around every bend on the trail when we walk in the woods. Dress for the weather conditions and sturdy walking shoes are recommended.
