The Black Fork Gravel Grinders will hold their annual event in the Brinkhaven/Mohican area. Cyclists travel from all over the eastern part of the United States (MI, IN, KY, WV, VA, PA, NY and OH) to take part in the event. They expect over 500 cyclists to descend upon east central Ohio on this date. "This is a must do gravel road race and ride which spans some of the most scenic, grueling and diverse gravel roads in Ohio." The Black Fork Gravel Grinders mission is to cultivate an awareness and passion for gravel road riding, challenge riders of all abilities and backgrounds, and do this by staging an epic cycling event! There will be three route lengths offered: a 23, 30-mile ride, and 54-mile race loop. The Mohican Valley Trail Bridge of Dreams is an aid station hosted by the Central Ohio Mountain Bike Organization's Bike Patrol for the cyclists between the hours of 10:30 a.m. and 1:30 p.m.
