

Each of us can be part of the movement to  
increase BIODIVERSITY in our own yards  
-No experience necessary-

*Put Central Ohio on the*  
**HOMEGROWN NATIONAL PARK**  
*BIODIVERSITY MAP*

HOMEGROWN NATIONAL PARK is a call-to-action  
to **plant native flowers, shrubs and trees** in our yards.

Join us at BFEC's resource center on March 15 at 2:00 pm  
for a short film, discussion and to learn more

Brown Family  
Environmental Center  
at Kenyon College  
Celebrating 30 years of growth
